

Giftng Opportunities

The CCA athletic program has been able to build a great history in competition as well as in the classroom over the years and much of that success was due to a strong support group. Because of the financial strength gained by partnering with community businesses and organizations, CCA has been able to provide quality practice and game equipment and complete some helpful facility upgrades. We are now in a time of growth and your support is critical. Your involvement can be a *momentum builder* in re-establishing that foundation of excellence for the future of our boys & girls varsity sports and youth programs.

Giftng opportunities for the Calvary Christian Academy Athletic fund are available on various levels of participation. These tax-deductible gifts will go a long way in providing new opportunities to all of our student-athletes. We are currently approaching our 15th Annual "Lions Classic" Golf Tournament and would like you to partner with us this year by participating in one of the following sponsorship levels.

Golf Classic Partnership

(Saturday, March 25, 2017 at LPGA International Golf Course)

- \$200 - Single Hole Signage
- \$500 - Single Hole Signage/ Program Recognition/ 2 Player Entry
- \$700 - Single Hole Signage / Program Recognition/ Foursome Entry
- \$1000 - Year Round CCA Gym Banner / Single Hole Signage / Program Recognition / Foursome Entry
- \$1500 - Year Round CCA Gym Banner / Two Hole Signage / Program Recognition / Foursome Entry

For more information on the 15th Annual Lions "Golf Classic" please call us at 386.672.2081.

What Is the Money Used For?

The funds contributed to CCA Athletics, are used for athletics as well as some academic support purposes.

- Provide CCA athletes with safe and adequate practice and game facilities and equipment
- Team building exercises and field trips to enrich and create well-rounded students
- Special events, homecomings, academic and athletic achievement awards and more.

With CCA Athletics receiving no public funding, your private support is crucial to the various CCA Lions middle and high school teams as well as the elementary, "Jr. Lions" program. Without this support, we could not continue to groom our student-athletes into the exceptional community leaders they are today!

We thank you for considering a partnership with Calvary Christian Academy Athletics. If you have any additional questions, please feel free to contact Perry Williams at (338) 672-2081.
